### COVID-19 Measures

As per Govt Lockdown and Isolation requirements, our office is shutdown until further notice.

All staff are working from home, communication is via phone, email and online meetings.

Best initial email contact is: [enquiries@waikatosheds.co.nz](mailto:enquiries@waikatosheds.co.nz)

Our office phone messaging service is being checked regularly.

All new shed enquiries will be handled as usual, please bear in mind it may take longer for us to respond.

All jobs that are waiting on external parties to do draughting or engineering work are on hold during this period, as these services have been deemed non-essential.

For existing jobs with building permits, all shed production is on hold during this period.

We have been in business since 2005, nearly 15 years, are well established and in a good position to ride this situation out.

We look forward to getting back to normal business as usual when the Lockdown is over.

We wish everyone the best during this extraordinary time.

Keep safe and look after each other.

Brian Insoll  
Managing Director
